

The City of Corona's

"Award Winning"

Building Department Presents:

A *free* training seminar

2007 California Electrical Code

Courtesy of NFPA

NFPA Presenter at Southern California locations:

Jeffrey S. Sargent

Jeffrey S. Sargent is a Senior Electrical Specialist, having joined NFPA's Electrical Engineering Department in 1997. He has been affiliated with the electrical industry for over 25 years as an electrician, inspector, instructor, consultant, author and electrical specialist. He was senior editor of the 2005 National Electrical Code Handbook and serves as the executive secretary to the NFPA Electrical Section as well as a staff liaison to several NFPA technical committees. He is senior technical editor of *necdigest*, the official magazine of the National Electrical Code. A member of the International Association of Electrical Inspectors, Mr. Sargent maintains a professional certification through their *Certified Electrical Inspector* program and is a licensed master electrician.

Seminar includes a free copy of the 2007 California Electrical Code

Attendance is open to members of ICC chapters and any AHJ or code official employed by a governmental agency. Registration is on a first come first served basis. You must be registered and have a confirmation number to attend. Lunch is not included. A list of nearby restaurants will be available.
