

Orange Empire Chapter

Presents a One-Day Seminar Titled

The 2007 California Mechanical Code & 2007 California Plumbing Code Updates

The ICC Orange Empire Chapter is sponsoring a one-day training opportunity on the 2007 California Mechanical and 2007 California Plumbing Code Updates.

Description: California has adopted new Mechanical and Plumbing Codes. These two courses are designed to familiarize inspectors, building officials, plans examiners, engineers, contractors and designers with many of the important changes that have occurred with the Plumbing & Mechanical Codes since 2001. The course will aid code users in identifying the code changes and understanding the reasoning for the change. The changes are fairly significant, so do not be left behind.
