Dear Mr. Nosse:

On behalf of the membership of the International Code Council Orange Empire Chapter, I wish to extend our appreciation for your great presentation of the Evaluation Services program you provided at the September 17, 2009 Chapter meeting.

I know your schedule is a busy one, and the time that you invested was evident in the quality of your presentation. I believe the discussion between the members and the Evaluation Services representatives was extremely enlightening to many of the members and will assist the Code Officials in their consideration of the use of new products and materials.

Sincerely,

Hadi Tabatabaee, P.E., C.B.O.  
ICC OEC President
