### Job Summary:

Assists the Building Officer in the administration and enforcement of state laws, City ordinances governing the construction, use and maintenance of structures, buildings, and mechanical, electrical and plumbing systems on all private property throughout the City.

### Requires:

Graduation from an accredited college or university with a Bachelor's degree in Civil, Architectural or Structural Engineering, or a closely related field. A Master's degree in Civil or Structural Engineering or a closely related field is desirable.

Four years of recent, paid progressively responsible work experience in urban planning, construction management, architecture, civil or structural engineering or a closely related field in a public agency or private practice in the planning, design or construction field. Two years of the required experience must include direct supervisory and management responsibilities. Possession of a valid class C driver license.

Registration as a Professional Civil, Structural, Mechanical or Electrical Engineer with the California Board for Professional Engineers and Land Surveyors or as an Architect with the California Architects Board. International Code Council (ICC) certification as a Certified Building Official (CBO), and/or International Code Council certification as a Master Code Professional is highly desirable. **Deadline: 5:00 p.m., Friday, August 20, 2010.** Apply at: City of Santa Monica Human Resources Dept., 1685 Main St., P.O. Box 2200, Santa Monica, CA 90407. Phone: (310) 458-8697 or visit [www.smgov.net/hr](http://www.smgov.net/hr) to apply online.
