## CALBO TRAINING INSTITUTE

*Premiere provider of code training in California.*

### ANNOUNCING MODEL AND STATE CODE TRAINING FOR BUILDERS, ARCHITECTS, ENGINEERS AND BUILDING DEPARTMENT PERSONNEL!

CALBO is offering events you won't want to miss!

Our Model Code Academies will include a prelude to the state amendments. As you know, California's Building Code changes dramatically from the model code. Be prepared for the transition by attending our Code Academies coming to your area!

#### COMING SOON!

In addition to the model code training presented by the CALBO Training Institute, there will be State Code Amendment Academies offered as follows:

- San Rafael/Marin: August 14—16
- Concord: August 21—23
- Redding: September 4—6
- Ontario: September 18—20
- Newport Beach: September 24—26
- San Luis Obispo: October 9—11
- Bakersfield: October 15—17
- Sacramento: November 13—15
- Santa Clarita: November 27—29
- Los Angeles: December 11—13
- Santa Clara: December 17—19
- San Diego: December 17—19

The CALBO Training Institute has heard your concerns regarding the training needs in California! CTI is offering 12 Model Code Academies throughout the State.

Registration material will be available mid-February. Registrants will have three easy ways to register: 1) By Mail, 2) By Fax or 3) Online. [www.calbo.org](http://www.calbo.org)
