**Subject: Educator of the Year Award Nomination**

To Whom It May Concern:

The Orange Empire Chapter of the International Code Council would like to nominate Stuart Tom, P.E., Glendale Building Official, for the Educator of the Year Award. Stuart's tireless efforts studying California Amendments to the IBC months before the CBC was available and his preparation of seminar and training material for the program titled "Preparing for the 2007 California Building Code" has benefited a great many California Code officials through out the state. The material he produced was shared with his L.A. Basin Chapter and with Calbo for the C.T.I. training.

Please feel free to contact me if you have any questions or need additional information regarding this nomination.

Sincerely,

  
Joe Kirkpatrick  
President
