**Subject: ICC Orange Empire Chapter Endorsement of State Fire Marshall
Code Adoption Package**

Dear Mr. Walls:

It is our pleasure to inform you and the Commission Board that the Orange Empire Chapter, at our general meeting on July 20, 2006, overwhelmingly supported a motion to endorse the State Fire Marshall's code adoption package. Many chapter members were directly involved in the committee work that lead to this historic submission.

We also applaud your efforts in working towards an effective date of January 2008 for the 2006 versions of the IBC, IFC, UMC, and UPC.

Sincerely,

Khanh Nguyen
President
