ICC Orange Empire Chapter *Presents* *Plan Check and Inspection* *Of* *Residential Sprinklers*

Objective:

Residential Sprinklers:

This presentation is designed to aid the plan checker and the building inspector with the new code requirements for residential fire sprinklers. The areas covered are the design requirements established in the CRC and NFPA 13D for residential sprinklers.

This course is recommended for both plan checkers, building inspectors, and architects. The course starts at 1:00pm and will conclude about 5:00pm. Lunch will not be provided. Each class participant will earn 0.4 CEU's for attending the seminar.
