(91 Freeway – Glassell/Kramer exit)

COST: **\$15.00**

RSVP: ***Please call email Joe Kirkpatrick at jkirkpatrick@ci.irvine.ca.us or call (949)724-6320.***

MEMO FROM THE BOARD:

Part I

We all find ourselves focusing our energy on the immediate demands of the day due to our busy schedules and when we're really on our mark, we also look to, and plan for, the future. Very seldom do we take the time to reflect on the past, thinking that thoughts of the past are irrelevant and not of value to the present.

But we are where we're at now in both our private lives and our professions and more importantly, ready to move forward in meeting future challenges, because of our past. More specifically, because of the people in our past with whom we've shared learning, living and working experiences. Most important to all of us were, and are, the "mentors".

I would like to reflect on an individual who was a mentor to me but also was a mentor to many others in our industry. As a boss, a peer, and a mover and shaker, Bob Fowler earned the respect of all he encountered and for the many who knew him well he was considered a close and caring friend.

The reason I pen this brief reflection on Bob is because of the Bob Fowler Memorial Fund which is selling tickets for the Harley-Davidson drawing in Detroit. I will have tickets available for sale at the August 18 Orange Empire Chapter Meeting. Although AIA has graciously committed to managing the Fund, their commitment is that all proceeds will be used exclusively for scholarships for building safety personnel or their families. The tickets are \$25.00 each. You may also purchase tickets by sending checks directly to

Ron Nickson,
Bob Fowler Memorial Fund
P.O. Box 33561
Washington, DC 20033-3561

Participating in this fund will show acknowledgment and respect for a peer, friend and mentor who would appreciate this worthy effort of promoting our profession through helping future code officials in the beginning stages of their academic development.

In Memory of Bob Fowler,

Scott Fazekas
President
Orange Empire Chapter, I.C.C.

Part II

We had a great joint-chapter meeting in July. Progress is being made as the assignments for the 14 working groups have been established to start work in helping to prepare the adoption packages for the State Fire Marshal's office. Group #2 for B occupancies will be the core group which will work quickly to set a standard/example for others to follow.

Scott Fazekas Chapter President

I. CHAPTER BUSINESS

- A. Pledge of Allegiance
