ICC Orange Empire Chapter *Presents* 2007 CBC Accessibility Seminar CASp exam on May 13, 2010

The CASp exam is right around the corner and the Orange Chapter is providing you with this refresher course to assist JHA's in meeting the new State law SB 262

Presenter: Jay Elbettar is the City of Newport Beach Building Director with 31 years of experience in design, construction, and code administration. He has a Bachelor and Masters degree in structural engineering, and is a licensed P.E. He is certified building official, plans examiner, commercial building inspector, accessibility inspector/plans examiner, and LEE AP. He is also a certified Access Specialist through the DSA program, served on several boards and commissions, and is currently serving on the Hospital Building Safety Board, ICC Board for international professional standards, and a CALBO past president. He has taught numerous classes for the chapter, CTI, and CALBO.

Presenter: Scott Fazekas, founder of Scott Fazekas & Associates in June, 1996. Scott has worked in building departments since he started with Newport Beach in 1972. Scott's credentials included licensed architect, International Code Council (ICC) certifications as a plans examiner, building inspector, and building official. Scott has obtain certifications as a LEED accredited professional and CASp. He has also been very active in both the ICC Orange and L.A. Chapters and is a past president of the Orange Chapter. He has taught many classes for the Orange Chapter which include CASp, structural engineering, and others. Scott served on the ANSI A117 Access Standards Committee as AIA's national representative for 6 years. He also testified on behalf of AIA at the Senate Subcommittee Hearings during the ADA hearing process.
