**Subject: Presentation to APA/OC & ICCOEC Membership
on the 4th Term NPDES Permit**

Dear Patrick:

On behalf of the membership for the International Code Council Orange Empire Chapter and the Orange Section of the California Chapter of the American Planning Association, I want to extend our appreciation for your great presentation on the NPDES Region 8 permit at the April 17, 2008 joint meeting. Your updates on the 4th term permit were timely and your outline on the new requirements was very informative.

I know your schedule is a busy one and from the quality of your presentation the time you invested in preparation was evident. I really appreciate your flexibility in tailoring your program to both groups and applaud your expertise in the subject matter. You represent your City well and Costa Mesa's unwavering commitment to clean stormwater is admirable.

Sincerely,

Joe Kirkpatrick
