**Objective:**

**Understanding and applying the 2010 CALGreen:**

This presentation will guide the attendee through a basic understanding of the various chapters of CALGreen. A larger portion of the class time will be spent addressing the documentation for plan check and field inspection. Also time will be given for a question and answer period that will discuss the difficulties associated with the implementation of the code. This Q & A time provide first hand experience with real applications. Attendees are encourage to bring their code books for this seminar.

This course is recommended for both plan checkers, building inspectors, and design professionals. The course starts at 8:00am and will conclude at 12:00pm. Lunch will not be provided. Each class participant will earn 0.4 CEU's for attending the seminar. Class registration will begin at 7:30 am
