SANTIAGO CANYON COLLEGE – SUMMER OF 2011

“EES” is offering a very interesting Capstone Project (Independent Study) at Santiago Canyon College (SCC) this summer. The focus of the project is **Google Apps application to energy efficiency and small business enterprises**.

The class meets several times at SCC starting 6/13/11 and will finish by 8/3/11. You can register on-line for this Capstone Project, PBLC-083-46819 (46819) by clicking on the link below.

<http://www.sccollege.edu/StudentServices/Admissions/Pages/APPLY.aspx>

For more information about the above Capstone Project and the (2) semesters Green-Sustainable Building Code Certification Program at SCC contact David Khorram, the instructor at **(575) 224-2240**.
