ICC Orange Empire Chapter Meeting

Greetings,

The October monthly meeting presentation is on Conducting a Fee Study. Presenter Katie Wilson, an expert in Building and Safety User Fee Studies with Willdan Financial Services, will make an interesting and informative presentation on conducting a fee study. Ms. Wilson, a former City Manager and Community Development Director, has successfully conducted fee studies throughout California and across the nation. She will show how a fee study can be constructed to reflect real world conditions in the Building and Safety area as well as a user friendly approach for staff input into the studies.
